

## **Director of Racquet Sports (DoRS) at the Short Hills Club, Short Hills, New Jersey**

### **The Club**

The Short Hills Club is a family-oriented, private club located in the heart of Short Hills, New Jersey. Situated on 15 beautifully wooded acres overlooking South Pond, the Club's facilities include seven Har-Tru tennis courts, five heated and lit platform tennis courts, two international squash courts, a beautiful and modern pool complex, a complete racquets pro shop, and a variety of dining facilities. Since its founding in 1875, the Short Hills Club has developed a rich history of competition in racquet sports and is the second oldest tennis club in the United States as well as a Founding Club of the International Tennis Hall of Fame. The Club has an active and engaged membership of approximately three hundred families and offers a broad range of social and athletic activities to its members.

The Short Hills Club has an active and energetic program that provides its members with a range of tennis, platform tennis and squash offerings which includes league, tournament and social play, as well as instructional programs which encompass private and group lessons, clinics and practices. The racquets program incorporates a creative variety of special events and activities giving members the opportunity to socialize while enjoying their favorite racquets activity. Exhibitions, Pro-Am Tournaments, Leagues, Club Championships, and Tournaments are just some of the acclaimed racquets activities which the program offers and the foundation from which to grow from.

This year-round position represents a great opportunity to work in a beautiful location with an enthusiastic membership at one of the most prestigious racquet clubs in the country.

Tennis Pro Search, the premiere recruiting firm for tennis and racquets executives, has been retained to facilitate the hiring process.
