THE APTA CHAMPIONS EVERY LEVEL OF PLAYER AND EVERY ASPECT OF THE GAME.

We are responsible for governing the sport, maintaining standards for courts, equipment, rules, and codes of behavior to ensure the integrity of the game. We create and increase awareness of our sport; sanction and promote events for beginners, juniors, club, league, and tournament players; sponsor the APTA Tour; live stream 10 tournaments each season; maintain a comprehensive website at www.platformtennis.org and host the virtual Platform Tennis Museum and Hall of Fame; and provide league management software through Paddlescores as well as Platform Tennis Index (PTI) for members. We are committed to growing the sport by offering grants and loans to public-access facilities and partnering with PPTR for certification of teaching pros around North America. An APTA membership includes eligibility for APTA-sanctioned events and all levels of National Championships and a subscription to *Platform Tennis Magazine*.
