

APTA – FOR ALL WHO PLAY! JOIN TODAY!

The APTA is not just for tournament players, but for all those who enjoy platform tennis.

We are responsible for governing the sport – ensuring that courts and equipment and rules are standard throughout the country. We sanction and promote events for beginners to advanced players, maintain a website (www.platformtennis.org), and rely on our volunteers to make it all happen. Join now to ensure that you won't miss a single issue of Platform Tennis Magazine. An APTA membership gives you eligibility to play in National Championships as well.

Become a member today! Support the sport you love. Simply fill out the form below and mail it in, or visit our website to enroll (www.platformtennis.org)
