

American Platform Tennis Association: Grow the Game Post Award Requirements

GRANTS:

If the scope of the project deviates from the original scope of work proposal, the APTA reserves the right to amend the dollar amount of the grant.

Grant checks will be released to the club, payable to the club, upon receipt of picture(s) of the start of court construction and/or repairs. Please ensure that we have the correct name and address for the mailing.

Upon completion of the project, the club will join the APTA as a Club Member of the APTA

Upon completion of the project, the club will require APTA membership of its members. This is separate membership from the Club Membership.

Upon completion of the project, the APTA will furnish a plaque that will identify the facility as an APTA Grant recipient. The facility is to secure the plaque in an easily seen location, preferably above the door to the courts.

Upon completion of the project, the APTA requests pictures to be taken that can be used for press releases and publication in the APTA magazine should the APTA chose to feature your facility.

The Grow the Game Committee is to be provided an annual report of court usage and program successes for the three (3) subsequent years.

LOANS:

If the scope of the project deviates from the original scope of work proposal, the APTA reserves the right to amend the dollar amount of the loan.

Loan checks will be released to the club, payable to the club, upon receipt of required signed loan documents. Please ensure that we have the correct name and address for the mailing.

Loan to be paid back on or before due dates on an annual basis until paid in full.
