

Wilmington Country Club is a prestigious private club that offers its members a full range of recreational and social amenities. Our club has an outstanding reputation for its commitment to excellence in the quality of services and experiences provided to its members. It is our goal to ensure that an excellent level of service be maintained at all times.

We are currently hiring for a full time Head Platform Tennis Professional, with experience in teaching other racquets sports, such as Tennis, Pickleball and Squash.

If you or someone you know is a highly motivated and energetic person who can uphold our Tenet's of Excellence, consider applying at our club. Our goal is to provide a high standard of service to our membership.

Responsibilities:

- Help to create, organize and run social paddle activities including, leagues, events, club tournaments as well as local and national tournaments
- Teach Private, Semi-private, three and me, group lessons and Cup Practices.
- Weekend teaching would also be required.
- Manage Platform Tennis league teams, as well as assist Team Captains.
- Provide support in the Racquet Shop.
- Support in teaching in one or more racquet sports: Tennis, Squash and/or Pickleball.

Requirements:

- An APTA, RSPA or PTR teaching certification is required.
- Platform Tennis Index of 15 or less
- A highly motivated and energetic person with strong people skills.

Compensation and Benefits:

- Compensation includes a competitive salary, hourly lesson fees and group lesson fees.
- Health/Dental/Vision Plans
- PTO
- 401(k) with a matching club contribution (waiting period applies)
- Complimentary Life Insurance, Short Term and Long-Term Disability (waiting period applies)
- Dues for Professional Associations
- Complimentary Employee Meals

Join Wilmington Country Club and become part of a team focused on providing high-quality racquet sports experiences for our members. Apply now to advance your career as the Head Platform Tennis Professional. Please your resume Lhuber@wilmintgoncc.com to apply.
